WE ARE NOT THE ONLY ONES...

Due to lack of slots for **visa**, lack of refundable bookings, lost about 6000 euros. Perhaps when there are critical business events like [#CPHI](#), it is better to have better arrangements to enable travel. Disheartening experience beyond the financial loss.

Student visas are getting canceled on arrival as some **students** don't have funds when checked at the airport border control. Checks are done on a random basis, so just ensure you have funds available on arrival to be on the safe side 🙏

Raise your hand if you've ever been personally victimized by Italian bureaucracy 🙋

Obtaining a Schengen **visa** is **shit**. I wasn't able to fly to Thailand 2 weeks ago because my passport is still at the Italian embassy for more than a month now! That's money down the drain. And their paperwork is also **shit**. This thick for each of us **in** the family.
